OUR TOP-FLOOR OASIS

The highlight of Vista Hermosa is our top floor where the entirety is dedicated to a phenomenal entertaining area with panoramic mesmerizing views. As you ascend to this incredible top-level floor, prepare to be awestruck by the captivating ocean views and immerse yourself in the three-sided infinity-edge pool, surrounded by a spacious open covered lounge area. Quench your thirst with the standalone icemaker and two beverage refrigerators or enjoy the barbecue grill, lounge in front of the 60" Smart TV, or bask in the glory on the large balcony. Need to freshen up? Two luxurious restrooms are conveniently located on this floor.

Also, on this top-floor is our Great Room with three-sided glass walls that reach from floor-to-ceiling that create an immersive rainforest experience, while retractable sliding glass doors blur the line between indoor and outdoor, infusing a tropical ambiance. The fully equipped chef's kitchen, complete with a standalone ice maker and wine fridge, awaits your private chef's culinary endeavors. Unwind in the plush living room, gather around the dining area, or relax with a tropical drink on the spacious covered balcony. The air conditioning ensures your utmost comfort, while the expansive covered balcony beckons you to soak in the views. This top floor is more than just a space; it's a quintessential gathering spot for your entire group where cherished memories are made. Come and witness the magic firsthand. See for yourself: [Top-Floor Video](#)

This magnificent four-story luxury estate is constructed into the side of a hill. The parking lot and main entrance are located between the top and middle levels. Note that as guests enter the villa at a higher floor, anyone with restricted stair climbing ability should have no problem sleeping in one of the three bedrooms located on the middle floor, then climb one level of stairs to the top floor entertaining area. BEACH CEREMONY

If you have a beach ceremony in mind, we have a private beach trail. A 10-15 minute walk to Manuel Antonio's most beautiful beach, Playa Espadilla Norte a.k.a. Playitas, a stunning white sand beach! [Private Beach Trail Video](#). Your wedding party and guests can walk this nature trail through the jungle where you might encounter sloths, toucans, or monkeys. There is a dirt road so guests can also choose to take a taxi.

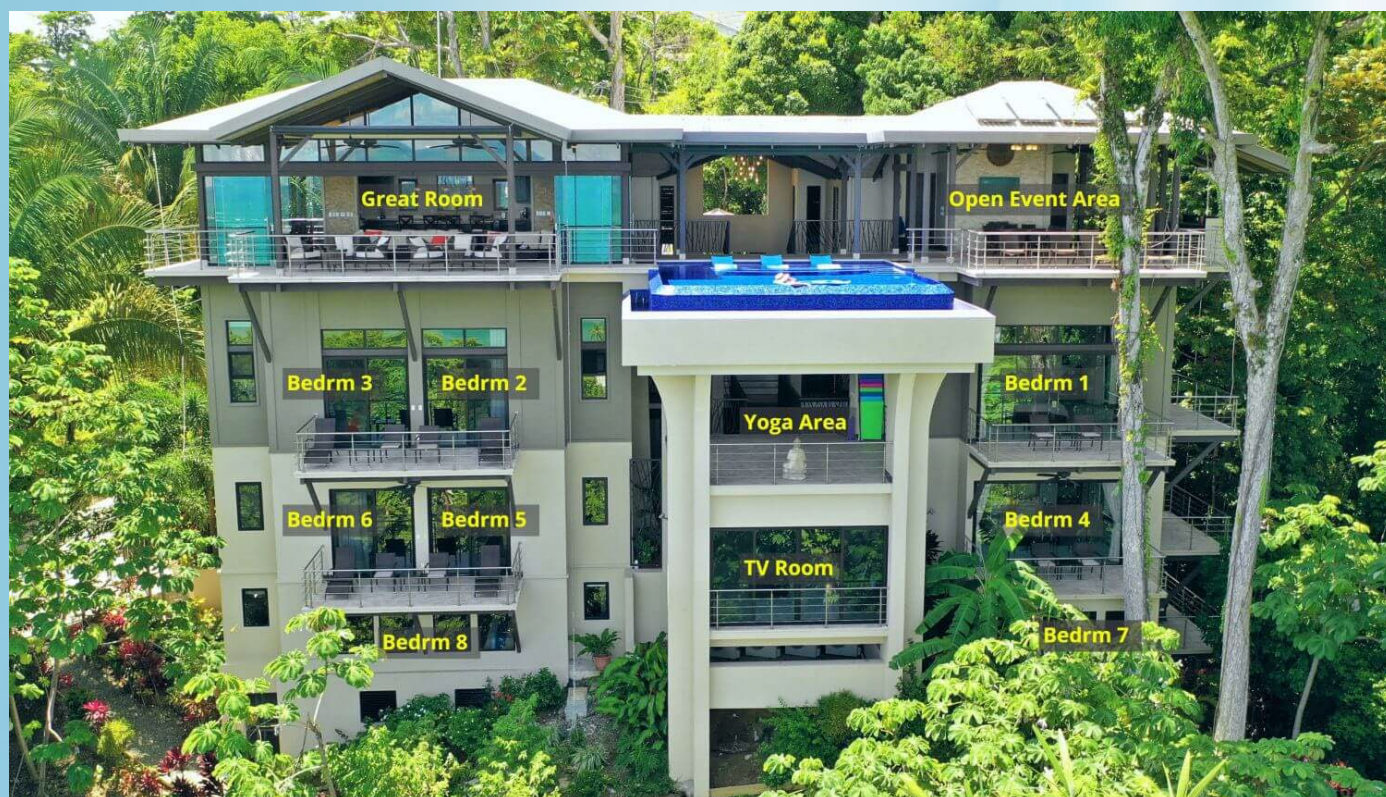

Vista Hermosa was designed for large groups with everyone under one roof, enjoying each other's company, along with amenities of a 5-star hotel...and then some. You'll find having your entire group's stay in a large villa, which includes a private gourmet chef, maids, and a concierge is much more intimate and enjoyable than an all-inclusive resort. To ensure our guest's experience is nothing short of extraordinary, we only rent our villa to one group at a time.

Shuttles are the most popular option for getting around. Let one of our professional drivers pick you up at the airport in a comfortable and spacious van for an easy introduction to Costa Rica. Walk out of the airport to a waiting van, and start relaxing and enjoying the views right away. The drive is approximately 2.5 - 3 hours, and the driver is happy to stop along the way for sightseeing, fruit stands, or lunch. The shuttle driver will wait at the airport exit holding a sign with your name; with a shuttle reserved with plenty of room for your group and everyone's luggage. We only hire shuttle services that have the most comfortable, late model air-conditioned vehicles.

To stretch and enjoy your first real taste of Costa Rican wildlife, there is a unique rest stop at the [Rio Tarcoles Bridge](#) (a.k.a. The Croc Bridge, featured on Animal Planet) where you are sure to enjoy watching crocodiles in their natural habitat.
